

## Illinois Appropriates \$25,000,000 to the Illinois Department of Transportation for Butterfield Road Improvement Project... With \$300,000 Allocated for Relocating the Prairie Path

There is misinformation being circulated that the Prairie Path Relocation Project is costing the State of Illinois \$15,000,000. The real cost of the Prairie Path being moved is estimated at only \$300,000.

The Village of Hillside has a thirty-year long history of submitting multiple requests to the Illinois Department of Transportation for improvements to Butterfield Road from Wolf Road to Mannheim Road. Butterfield Road is a roadway operated and maintained by the Illinois Department of Transportation, which cuts through the center of our community and averages daily traffic of over 15,000 vehicles per day annually.

a Butterfield Road improvement design was developed that would include a center turn lane, curbs, roadway lighting, signal upgrades for pedestrian safety, the elimination of the Wye intersection at Washington Boulevard and Butterfield Road, new sidewalks, and landscaping.

### Butterfield Rd

The project was initiated by the urging of the Village of Hillside; however, the design and construction cost will be borne by, managed by, and at the direction of the Illinois Department of Transportation and the Federal Highway Authority. None of the \$25,000,000 to be spent on the project involves Village of Hillside tax dollars.

In 2011, Hillside finally got the greenlight to perform a preliminary engineering study of *Butterfield Road Improvements* under the direction of the Illinois Department of Transportation and the Federal Highway Authority. These initial engineering costs were paid for with Village funds. Under the supervision of these two government agencies,

It is the State of Illinois who wants to divert Illinois Prairie Path pedestrian and bicycle traffic from crossing Butterfield Road at North Forest Avenue. The Village was instructed to redirect the Illinois Prairie Path pedestrian and bicycle traffic along the north side of Butterfield Road/ Washington Boulevard to Mannheim Road where they will cross along the western intersection leg. This new route will link Illinois Prairie Path users to the current route which crosses Mannheim Road at the Madison Street signalized intersection.

**The relocation of the Illinois Prairie Path will NOT carry a construction cost of \$7,000,000 or the \$15,000,000 as erroneously purported by some. The estimated Prairie Path relocation cost falls more in the range of \$300,000. The relocation of the Prairie Path remains as one (1)**

## Meet Your 2022 Summer Nights in Hillside Bands!

### The Magic of Motown July 19th

This dynamic tribute spans decades of Motown classics. Every one of the songs performed are among the most recognizable and culture-defining songs in pop music history. The show features the great harmonies and choreographed dance steps of the Motown era backed by a hot band which is a show within itself. Audiences will stroll down memory lane as they relive the incredible harmonies and smooth moves made famous by the *Temptations*, *The Four Tops*, *The Supremes*, *Stevie Wonder*, *Marvin Gaye*, *James Brown*, and many more! This is the BEST Motown production which celebrates over 50 years of number one hits!

### INFINITY July 26th

*INFINITY* has NO limits or boundaries. They have a following that makes them one of the most successful cover bands in the Chicago area. They light up the stage with their unique vocals and instrumentals of hits from *Boston*, *Bon Jovi*, *Led Zeppelin*, *Styx*, *Queen*, and *Journey*. *INFINITY* is known for their outgoing personalities and if you have ever seen them, expect the unexpected...so be prepared. They maintain the ability to include the audience, so you feel as if you are part of the show. They are genuine entertainers, and everyone in the audience will become part of this show.

### The Shagadelics August 2nd

Get ready for a throwback party to the days of funky clothes, platform shoes, and some of the best dance music from the 70's and 80's - disco, funk, retro & more! *The Shagadelics* will thrill you with their far-out dance moves and the funky tunes in a high-energy stage show of the top, most popular hits that you will remember for years to come. The Shagadelics are the best 70's disco and dance show in the Midwest. So come out and enjoy these great hits from the 70's and 80's as you "Shake Your Booty" at the Hillside Commons.

### 7th heaven August 9th

*7th heaven* is always a Hillside crowd favorite. They have charted #1 on the Midwest Billboard Charts three times in the past few years with their hits "Stoplight," "Better This Way," and "Sing." Known for their famous "30 Songs in 30 Minutes" medley from the 70's and 80's, *7th heaven* has been an entertainment staple for nearly 35 years. *7th heaven* is an experience you just must see, experience, and hear! Playing over 200 shows a year with an average of nearly 100 outdoor concerts, *7th heaven* can rightfully say, "We've seen a million faces and rocked them all!"

### SAIL ON - Beach Boy Tribute Band August 16th

*SAIL ON* plays the music of "America's Band", *The Beach Boys*. Performing all the group's classic hits, plus some treasures from *The Beach Boys'* brilliant extended catalog. *SAIL ON* faithfully recreates the timeless songs of surfing, cruising, dancing, and dreaming for all ages, and anybody that wants to have Fun, Fun, Fun. *SAIL ON* continue to enjoy the unique challenge and privilege of bringing one of pop music's greatest legacies to audiences everywhere. There's something for every music lover in the transcendent catalog of *The Beach Boys* - and *SAIL ON* keeps the Good Vibrations going for everyone to join in.

## RESTAURANT WEEK

### JULY 11-17

There is no question about it that the restaurant industry has endured great economic pain throughout the Covid Pandemic. Between closures due to health concerns, to limited hours, to supply shortages, to lack of employees, to rapidly rising food costs these last two years Hillside restaurant owners are a vital part of our community. Without hesitation, they are always there to lend a hand to any worthwhile Hillside cause. They are our neighbors operating a small business and chasing their dreams, as well as supporting their families and those of their employees, many of which are residents and teens.

The Village of Hillside has made a concerted effort to encourage residents to dine in or take carry out food from our local eating establishments. In our campaign to help our local dining establishments ***we are proclaiming July 11th through July 17th Hillside Restaurant Week.*** During this week utilize one or all the options to help our Hillside eateries.

1. Buy restaurant gift cards for yourself and cards to be given as presents.
2. Plan on having your family picnic or backyard party catered by one of Hillside's local restaurants. Our local dining scene offers Italian, Asian, Mexican, Cuban, Soul Food, BBQ, traditional American cuisine, and several more great food options that will satisfy any taste.
3. Give yourself a break from cooking and dine in or purchase carry out food from our local restaurants.

We have amassed a list of Hillside dining establishments seen below. Check their websites for menus, hours, and any specials they may be offering patrons. Their websites will also inform you if they use "Grubhub" or "DoorDash" food delivery companies. July 11th through July 17th let's take a break from eating at home by putting the local dining scene on your schedule.

## Branch Removal

Branch removal for July will be the week of July 5th through July 8th. Place your branches on the parkway Monday, July 4th and they will be removed that week. August pick up will be August 8th through August 12th. Place branches on the parkway Sunday, August 7th. **They will not return once a street has been completed.**

## Waste Management Branch Pick-Up

In addition to the above branch pickup dates, Waste Management includes branch pickup on your garbage day every week April through November. Piles must be sized approx. 2' long x 2' wide x 2' high and bundled with twine for easy pickup.

## Street Sweeping

Street sweeping for the month of July will be the week of July 5th through July 8th, July 11th through July 15th and July 25th through July 29th. For the month of August, the sweeper will be out August 8th through August 12th and August 22nd through August 26th. Please refrain from parking on the street from 6:00 a.m. to 4:30 p.m. during these dates.

## Garbage Removal

Place your garbage, recycle, and yard waste carts out to the curb after 4:00 p.m. the evening before your pick-up day, and no later than 6:00 a.m. the day of your removal. **Note:** Waste Management will remove one large item each week. We recommend calling Waste Management direct @1-800-796-9696 to alert them and receive any special instructions for the item being removed. **Do not place your carts or items in the street.**

Once again, we have been receiving many calls about critters chewing holes in the garbage carts. Things you can do to combat this from happening are to wash the carts regularly and/or double bag your garbage, especially in the summer months. In addition, hanging moth balls inside the cart detours animals, or purchase a rodent deterrent from a hardware store. By cutting down on the smells that animals are attracted to will help eliminate this problem.

## Inspection/Public Works Services Information

- A Home Inspection is required if you are planning to sell your house. Please call to get information or come into the Village Hall between the hours of 7a.m. and 3:30p.m., to answer all your questions and be informed about selling your property.
  - If you are planning to rent your house, a Village rental inspection is required and must be inspected prior to tenants moving in, along with a final water reading.
  - A Sewer Connection Inspection is required for all commercial property selling in the Village. Please call for all the information.
- NOTE: All inspection fees must be paid prior to scheduling any appointments.**
- Permits are required for all work performed by a resident and/or contractor. **Hillside now accepts permits electronically at [www.hillside-il.org/forms](http://www.hillside-il.org/forms).** All contractors doing work in Hillside must be licensed and bonded with the Village of Hillside. You can obtain the Contractors Requirements for Permitting by visiting our Village website.

## Code Enforcement

**VACANT PROPERTY** - All single-family homes in Hillside that will be vacant are required by ordinance (Sec.18-602 Village Code) to be registered with The Village. Property must be secured and maintained to avoid action by Code Enforcement.

# July & August PUBLIC WORKS & BUILDING SERVICES REPORT

Call the Public Works and Building Services Department at 708-202-3434 if you have any questions.

## 50/50 Sidewalk Program

The Village offers the public sidewalk program to all residents that want to replace damaged sidewalk squares under the 50/50 program. If this is something you are interested in, please call Public Works at 708-202-3434 to schedule an appointment to assess the sidewalk condition. We will leave a contract for the recommended replacement with the total cost to you. Please sign the contract, and payment would be required prior to scheduling with our contractor. This work takes place two (2) times per year; late Spring to early Summer and late Summer to Fall. Feel free to call with any questions you may have.

# Hillside's Camera Enforcement Traffic Program...

## Is Keeping Our Village Streets Safer!

The Village of Hillside "Camera Enforcement Program" was initiated to: 1) supplement traffic enforcement within the Village 2) to improve safety in intersections 3) and to reduce the number of accidents. The program's results have shown it to be very successful in improving both safety and reducing accidents.

When comparing the three years, prior to the program getting rolled out to the last three reported years there is a combined 50% reduction in traffic accidents. The intersections monitored had a combined average of 16 accidents per year prior to the installation, and an average of only 8 accidents the last three years. The Village continues to monitor and analyze their traffic enforcement programs to ensure its effectiveness and look for ways to improve safety.

The following statistics **DISCLAIMER: The motor vehicle crash data referenced herein was provided by the Illinois Department of Transportation.**

### The following facts were derived by comparing

- **2007-2009 IDOT statistics, which was prior to the designated intersections being monitored beginning in 2010.**

**TO**

- **IDOT's latest statistics from 2018-2020 regarding the now monitored intersections.**

As you can read, three of the four monitored intersections have shown dramatic decreases in accidents. The Roosevelt and Harrison intersection has experienced a slight uptick in accidents, which is being studied on how Hillside can improve traffic safety at this intersection.

**Roosevelt & Mannheim, prior to getting the cameras, averaged 26.6 accidents per year. The last three years it has averaged 10.3 accidents per year.**

**Roosevelt & Wolf, prior to getting the cameras, averaged 17.7 accidents per year. The last three years it has averaged 10 accidents per year.**

**Roosevelt & Harrison, prior to getting the cameras, averaged 5 accidents per year. The last three years it has averaged 5.6 accidents per year.**

**Cermak & Wolf, prior to getting the cameras, averaged 14.67 accidents per year. The last three years it has averaged 6.3 accidents per year.**

The goal of *Hillside's Camera Enforcement Program* is to continue to reduce these numbers.

# Seniors and Disabled Residents, Does Your Lawn Need Mowing???

## The Village of Hillside Can Help

Mayor Tamburino, the Village Clerk and the Village Board are offering an exciting grass cutting program for our qualifying seniors and disabled residents.

### For \$10 you receive the following services:

- Grass cutting
- Line trimming areas only not accessible by mower
- Blowing of any loose clippings from driveway, sidewalks and patios
- Hauling away the grass clippings

The program **DOES NOT** include:

- Edging
- Spring/Fall clean up
- Leaf removal
- Fertilization and weed control/aeration/power raking
- Weeding

### The following requirements must be met to be eligible for the grass cutting program:

1. A person must be 65 years or older, retired and live in a single residence home.
2. No able-bodied or employed persons under 65 can reside in the household.
3. For those applying due to a disability, you must include documentation provided by the physician treating your condition.

To enroll in this program, please call **708-202-3434** and we will mail you an application form along with information as to where to mail or drop off your filled-out form. Along with your application you **MUST** show proof of age by including a copy of either your driver's license, state I.D. or birth certificate.

The Village of Hillside will schedule your lawn cutting service. Each month, the Village of Hillside will send out grass cutting service invoices. During the month of June, a senior citizen had their grass cut three times at \$10 per cut, thus they will receive an invoice for \$30. For additional information call the Public Works Department at 708-202-3434.

## IMPORTANT INFO ON OUTDOOR WATER USE IN HILLSIDE

Please be reminded it is unlawful for outdoor water use **between noon and 6:00 p.m. from May 15th through September 15th**. Using water at all other times is permitted for even numbered addresses on even numbered days and odd numbered addresses on odd numbered days. Call us at 708-202-3434 with any questions.

## IMPORTANT... Before You Dig Call JULIE

Summer is time for construction or remodeling projects performed around the exterior of a home. Before you dig, please call JULIE by dialing 811 on your phone or visit [www.illinois1call.com](http://www.illinois1call.com) to set up an appointment for the JULIE team to stop by and determine where utility lines are buried. The service is free, and you can call or visit their website 24 hours a day 365 days of the year. This service assists homeowners and contractors from accidentally knocking out utility service in the neighborhood.

# Firefighter/Paramedic Katie Boeke and Her Dog “Fable” Are Making Hillside Safer

Congratulations to Firefighter/Paramedic Katie Boeke and her search dog, Fable, on their acceptance onto the Illinois Urban Search and Rescue Task Force 1 K9 Team and the K9/Drone Search and Rescue Strike Team.

Fable is trained in both search and rescue operations as well as tracking and trailing. Firefighter/Paramedic Boeke and K9 Fable recently received their Urban Level 1 National Training Certification.

The following are types of incidents Firefighter/Paramedic Boeke and her dog Fable would respond to:

- Locate missing persons
- Find a lost child
- Locate a patient with Alzheimer’s who walked away from a memory care facility or their home
- Track down a non-violent psychiatric or suicidal person who ran from their home
- Find any live person or persons in a building collapse from tornados, earthquakes, building collapse, or explosion

Katie, the Hillside Fire Department and the Village of Hillside are extremely proud of your accomplishment!

## Good Dog!

## From Repairing Potholes or a Burnt Out Streetlight or a Street Sign Knocked Down You Can Help Keep Hillside Safe and Looking Good

24 hours a day you can access the Village of Hillside website to report a concern, a problem, or maybe you just want to give the Mayor and Village Trustees your opinion. You can do all of this and more by performing the following steps:

1. Visit: [www.hillside-il.org](http://www.hillside-il.org)
2. Along top row click on the **How Do I?** tab
3. On the pop-up menu that appears, look under **Contact**; the very last item in this row is **Report a Concern**
4. Now click on **Report a Concern** and a pop-up window appears with the form to fill out reporting a problem, a village issue, or just what is on your mind

# Going Away This Summer? Then Protect Your Home with the Hillside's Vacation Check Program

Register with the Hillside Police Department for their VACATION CHECK PROGRAM which entails an officer stopping by your home twice a day to make sure everything is secure.

Call 708-449-6133 or stop by the Police Department at 425 N. Hillside Avenue to register.

## It Is Time to Plan Your Hillside Block Party!!!

Let's break out the grills, pour the refreshments, and celebrate with a good old-fashioned block party this summer.

A written request must be submitted to the Office of the Village Clerk at least 30 days prior to the event. Our Public Works Department will deliver street barricades. Mail or hand deliver your written Block Party request to the following address:

## It is Summer and Solicitors Are on the Prowl... Here Is Info on How Hillside Regulates Them

The Village of Hillside requires that anyone wishing to solicit within our Village needs to be registered at the Village Hall. If a solicitor comes to your home, please check to see they are wearing a "Village of Hillside" issued 2 x 3-inch clip-on badge. The only exceptions are religious and political organizations that are permitted to go door to door without registering.

Solicitation hours are between 9:00 A.M. and 8:00 P.M. on weekdays and 9:00 A.M. to 1:00 P.M. on Saturdays. No soliciting shall take place on Sundays or holidays.

If solicitors do not have their Village of Hillside badge displayed like the one seen here, please call the Police Department's non-emergency number (708) 449-6133.

The Village Clerk's Office has NO SOLICITOR stickers you can apply to your front door. Stop by Hillside Village Hall to pick one up.

## April 16th Easter Egg Hunt With Mr. E. Bunny Was Really Hopping!

▲  
Mr. E. Bunny with one of his fans

On a chilly but sunny Saturday morning, Mr. E. Bunny “hopped” into town and was so excited to see all his friends in Hillside. Free donuts were given out for that extra energy needed for this morning of fun. Kids lined up in their special age group and ran out into the field to grab all the eggs they could. “Lucky Egg-Finders” were given stuffed animals and everyone that attended went home with a prize. Mr. Bunny is looking forward to returning next year for this fun event. A special thank you to Mayor Tamburino, the Board of Trustees, our Youth Commission, the Volunteers, and all the Departments for their help in making this year’s event fun and safe!

## Game Truck Night A Huge Success

Friday, May 13th, the Hillside Youth Commission presented its first ever *Game Truck* event. There was a steady line outside the *Game Truck* as anxious players waited their turn to play the latest in high tech video games. In fact, there was a waiting list to attend this fun event but not all requests could be honored due to lack of time and space. The *Game Truck* is fitted with several video screens set in a comfortable properly lit setting supervised by adults. Look for future announcements in the *Hillside Herald* for additional *Game Truck* dates.

# Village of Hillside Spring Events

## May 21st Project UFO Hillside Event Was A Fun Time

On an overcast Saturday morning, residents gathered at the Hillside Commons to volunteer to help clean up winter debris that gathered around the Village. Under the direction of Village of Hillside employees, the volunteer residents, armed with trash bags, were taken to locations throughout town to gather debris. The event was a success as a truckload of winter trash was hauled away. Upon their return to the Hillside Commons, the volunteers were treated to a complimentary lunch, courtesy of the Hillside McDonalds in appreciation for their efforts.

## Hillside Honoring Those Who Made the Ultimate Sacrifice

On a beautiful May afternoon, the Village of Hillside conducted its 31st Annual Memorial Day service near the Veterans Memorial located on the northwest corner of the Hillside Commons along Washington Avenue. Vietnam Veteran. Mayor Tamburino offered words of praise for the men and women who allow us to enjoy our freedom because of their bravery. Residents stood for a moment of silence in recognition of the sacrifice made by these heroic men and women. The American Flag was lowered to half-mast to honor the fallen soldiers and also in recognition of the tragic shooting of students in Uvalde, Texas.

▲ Residents stood at attention as they recited the Pledge of Allegiance

▲ Residents placed roses at the base of the Memorial

## HILLSIDE PET REMINDER

Pet owners don't forget to register your pets. The Village of Hillside has free registration for your dogs and cats. We recommend that you register your pet at the beginning of the year in order to **receive your free pet tags**. We only ask that you bring in an up-to-date rabies vaccination report. In case your pet ever gets lost, the Village tag on your pet's collar will help our police department reunite them with you, the pet owner.

# Hillside's 20th Breakfast Celebration Honoring Dr. Martin Luther King Jr.

The Hillside Community Relations Commission and the Village of Hillside presented the rescheduled 20th Breakfast celebration honoring Dr. Martin Luther King Jr on Saturday, May 14, 2022. This year's event was held at the Sheet Metal Workers' Local 73 Union Hall at 4550 W. Roosevelt Rd in Hillside. Over 300 attendees gathered at this year's event for the breakfast which included a full delicious meal of eggs, bacon, sausage, rolls, and fruit with coffee, water, or juice.

The Hillside Community Relations Commission hosts the breakfast annually in recognition of the Village's strong public policy against discrimination, bigotry, and bias, in any form. The purpose of the Commission is to promote and encourage mutual respect, cooperation and understanding between all people, to promote the lawful preservation of human rights of all citizens and to provide all individuals with equal rights.

The program's mistress of ceremony was Hillside Community Relations Commission member Fatima Norwood, the music was provided by DJ B-Low, Posting of the Colors was provided by the Broadview-Hillside American Legion Post #626, with the invocation and benediction offered by Pastor Craig Smith of the Freedom Baptist Church of Hillside.

Mayor Joseph T. Tamburino introduced the keynote speaker, Emanuel "Chris" Welch, 7th District State Representative and Speaker of the House who provided the keynote address. Speaker Welch was the first chairman of the Hillside Human Relations Commission, which was established in 2000 (now known as the Hillside Community Relations Commission in 2021). The theme for 2022 was "Making a Better Future Together". Speaker Welch outlined the objectives he is working on in Washington, which includes improving employment opportunities, reducing high gas prices, fighting to support 'Women's Rights' along with various other important issues that are in the forefront. His speech indicated that he is aware of the issues that are important to the community and the State of Illinois.

Another important part of the program each year is the Essay Contest, which includes essays written by children from Hillside schools to promote the theme of the breakfast. The 2022 winners were: Jaelynn Torres and Amia Wilson. Both children from Hillside School were able to read their essay at the breakfast and received a certificate award for their participation. Hillside Trustee Claudell Johnson, who has been instrumental on the Commission, received the Chairman's Award and Lorenzo Weber was presented the "Dream Award" for his involvement in the Community.

Entertainment included a dance performance from the Proviso Interpretive Praise Group and the Freedom Baptist Church Drill Team. All of the performances were appreciated and enjoyed by the audience. Mayor Joseph Tamburino, The Board of Trustees, The Hillside Community Relations Commissioners...Chairperson Anthony Padgett, Valerie Farries, Fatima Norwood, Bobbie Robinson, Cynthia Johnson and Village of Hillside Special Events Coordinator, Evelyn Belmonte, would like to offer gratitude to everyone who participated in the wonderful event.

# AED Defibrators Placed Around Hillside...

## ... Because Seconds Count When a Cardiac Arrests Occur

As per the American Heart Association, more than 350,000 cardiac arrests occur outside of the hospital each year. In these situations, if performed immediately, CPR can double or triple the chance of survival. The combination of CPR performed immediately including the use of defibrillation exponentially increases a victim's survival rates. A readily accessible automated external defibrillator (AED) unit can allow this lifesaving intervention.

In keeping with the highest standard of public safety, you will be able to find AEDs throughout our Village. The new ZOLL AED Plus defibrillator with Real CPR Help technology guides rescuers in performing high-quality CPR and provides integrated audio and visual feedback to support you throughout the rescue. If you take one of the CPR classes listed in the article below you will be trained to operate these machines.

AEDs are available at the Village Hall, the American Legion Hall on Butterfield Road and the Community Center on Lind Avenue. Our police supervisors have them in their cars with the intent of one day having every Hillside police vehicle supplied with this defibrillator. Of course, every Hillside ambulance has this machine.

In accordance with the Illinois Department of Transportation and Federal Highway Authority requirements, a Public Meeting was held on October 2, 2014, at the Hillside Village Hall where the Phase I Design plans and the Project Development Report were exhibited for public comment and discussion. On December 8, 2015, under the auspices of the Illinois Department of Transportation and the Federal Highway Authority, the Village was authorized to begin the Phase II plan and construction design.

With engineering design in hand, the Village of Hillside waged an intensive lobbying program in Springfield to get an appropriation to start the project. Finally, in 2021, funding in the amount of \$25,000,000 in the Illinois Department of Transportation budget for Butterfield Road improvements was approved.

Once completed Butterfield Road will be safer, will expedite movement of traffic, and look more eye appealing. A target date to begin construction has not been announced but we anticipate a date in the very near future.

## **A Message from Village Trustee John Kramer... Something Has Got To Change!!**

In my last article, I talked about an incident that occurred when I was stationed in Korea – a small group of violent activists managed to sneak on base and destroyed an aircraft. Two airmen also got killed that terrible day.

By the time you read this, Memorial Day will have passed. Memorial Day is all about honoring the military men and women who died in combat. I didn't know those 2 men who got killed that day in Korea, all I know is that they got up that day, went to their jobs (servicing aircraft), and they were killed. I am sure they never expected that kind of violence that day. In my mind, they became heroes that day – a tough price to pay for heroism.

I did have an article in mind for this edition, but the mass shooting of children and teachers at an elementary school in Uvalde, Texas has ruined any thoughts. I cannot think about anything else but the victims and the incredible grief their families are going through. I know how I would feel if it were my son or daughter.

I have always tried in my articles to stay away from controversial subjects, but this time I just need to say –  
**SOMETHING HAS GOT TO CHANGE!**

## *Final Thoughts from Mayor Joseph T. Tamburino*

Dear Neighbors,

We are fast approaching the start of my favorite Hillside activity, our Summer Nights in Hillside concert series. It is not just me, but many folks agree that our concert venue is the best in the west suburban area. No other local concert program offers a classic car show featuring 200 automobiles, an arts and crafts area, and a food court that offers over a dozen choices of scrumptious items. All this plus 90 minutes of music provided by some of the best bands in the Chicago area.

These are just some of the reasons that our parking lots on concert nights overflow with cars displaying village stickers from Elmhurst, Berwyn, Broadview, Addison, Oak Park, Naperville, Geneva, Chicago, and many more. Our 2021 concert featuring the Buckingham's drew over 7,000 attendees. The concert series affords Hillside the opportunity to showcase our great community to non-residents.

The past two years have been the most stressful that many of us have ever encountered, the COVID Pandemic, the shortage in everyday necessities, inflation, the abrupt dip in the stock market, and on and on. However, for 90 minutes on a warm summer night people can escape to the Hillside Commons and enjoy many of the songs they grew up listening to.

Each society has its own concept of entertainment, but there's one thing we all have in common... music! Whether you are watching a TV show, dining in a restaurant, or even riding in an elevator, there is always music. I am even willing to wager that many of you have playlists programmed into your mobile phones. For most of us, music evokes a warm sense of nostalgia that can transport us back to a first date, cruising with friends, serving in the armed services, college, or even that first dance at your wedding.

At every concert, I stroll the grounds watching the attendees and I am uplifted by the shared laughter amongst friends and neighbors, by the enjoyment of those sharing a picnic, by both young and old dancing in their chairs, and by the crowd singing along with the band at full decibel. Suddenly it's as if all the problems of the world have been replaced by a sense that everything is ok, even if it's just for one night.

Please review pages 2 through 4 in this issue to learn more about the 2022 Summer Nights in Hillside concert series. Take a break from making dinner and enjoy the many food choices we offer while listening to the music that will put a song on your lips and a warm feeling in your heart. A village government should and must build a sense of community and I firmly believe that our Summer Nights in Hillside concert series does just that!

Sincerely,

Mayor Joseph Tamburino
