

Village of Hillside – Three Cart Solid Waste Program

- Refuse-** Refuse Wheeled Cart (Dark Gray): Residents should place household waste in the cart provided. Additional homeowner garbage cans (32 gallons or less) can be utilized at any time under the program if the quantity of your refuse exceeds the capacity of the cart supplied, however, they must be **clearly marked “TRASH ONLY”**.
- Recycling-** Recycling Wheeled Cart (Blue): Residents are encouraged to continue their participation with the recycling program. Recycled materials shall be defined as newspaper (including inserts), aluminum, tin/steel cans, glass (clear, brown and green bottles, jars), all #1 PETE plastics-soft drink bottles, all #2 HDPE plastics -milk and water jugs, colored laundry bottles, all #3 plastics (PVC), all #4 plastics (LDPE), all #5 plastics (PP), all #7 plastics (other), corrugated cardboard, magazines, chipboard – cereal, shoe, tissue boxes, telephone books, catalogs, brown paper grocery bags, mixed paper – junk mail, stationery, envelopes, aluminum pie tins, aluminum foil, aerosol cans (empty), 6 pack rings, milk cartons and juice boxes. If the quantity exceeds the cart capacity, residents may use their own 32 gallon or smaller can, **clearly marked “RECYCLE ONLY”**.
- Yard Waste-** Yard Waste Wheeled Cart (Teal Green): Residents may dispose of all yard waste items free of charge. The wheeled cart may be used for any yard waste materials such as grass clippings, leaves, plant materials and by-products, weeds, small branches, corn stalks, vines and the like. Residents may continue to utilize additional garbage cans (32 gallons or less) **clearly marked “YARD WASTE ONLY”** or biodegradable Kraft paper bags if they chose not to receive a wheeled cart or if their yard waste quantity exceeds the cart capacity.
- Leaf Removal-** The Village does not provide curbside leaf removal during the Fall. The program offered still allows disposal at no cost. Waste management will be responsible for the removal and disposal of this material. Residents will be allowed to dispose of leaves in the 95 gallons Wheeled Yard Waste Cart. Additional homeowner garbage cans, 32 gallon or smaller, **clearly marked “YARD WASTE”**, or biodegradable Kraft paper bags can be utilized if the quantity of your yard waste exceeds the capacity of the cart supplied.
- Large Bulk Items-** Residents can dispose of one large item per week. Large items include, couches, small tables, and the like. **Residents should contact Flood Brothers @ 630-2561-0400 at least one day prior to their service date to notify them the item is being placed out for removal.**
- Appliances-** Appliances will be removed by Flood Brothers in a separate truck on your regularly scheduled service day at no charge. Appliances include refrigerators, washer and dryers, freezers, air conditioners, stoves, furnaces, dishwashers, water heaters and dehumidifiers. **Residents should contact Flood Brothers @ 630-261-0400 at least one day prior to their service date to notify them the item is being placed out for removal.**
- Service Days-** Residents are reminded to have their carts and items out for removal the night prior to their scheduled service day for guaranteed pickup.
- Electronics-** Do not place electronics out for pickup. Landfills do not accept electronics. Call the Village @ 708-202-3434 with questions about electronics.
